Summary

I have run horizontal mills for six years at a job shop in Northbrook and I am looking for a place that makes its own product. Your open house convinced me.

Experience

2021 to now. CNC Machinist at a regional employer. Sample résumé text for a fictional applicant.

2017 to 2021. Earlier role in the same field, with growing responsibility.

2014 to 2017. First role after training.

Education and certificates

Technical college certificate. Forklift and first aid certificates where relevant.

Sample document generated for a fictional applicant in the AutoParts template.
