# Jonah Kowalski

jonah.kowalski@mail.example  (216) 555-6998

## Summary

Ten years in inspection at a forging plant, CMM programming included. I am moving to the area in the spring.

## Experience

2021 to now. Suspension Test Engineer at a regional employer. Sample résumé text for a fictional applicant.

2017 to 2021. Earlier role in the same field, with growing responsibility.

2014 to 2017. First role after training.

## Education and certificates

Technical college certificate. Forklift and first aid certificates where relevant.

Sample document generated for a fictional applicant in the AutoParts template.
