IRONVALE SUSPENSION WORKS

Warranty terms

Every part is covered against defects in materials and workmanship for the period on its product page, from the date of purchase, for the original buyer.

What is covered

Dampers that leak or lose damping, springs that sag or break, forgings and hardware that fail in normal use.

What is not covered

Damage from installation errors, competition use outside the Circuit line, corrosion from missing coatings removed after purchase, and normal wear of bushings and dust boots.

How to claim

Start a claim on the Contact page with the serial tag, the purchase date and the dealer. We answer within two business days and arrange a return label when the part needs to come back.
